the holder to directly ship wine to persons in the county pursuant to this section.

(b) The holder of a direct wine shipper permit may sell and annually ship to any person twenty-one years of age or older in the county that issued the permit, no more than six nine-liter cases of wine per household for personal use only and not for resale, and shall:

- (1) Ship wine directly to the person only in containers that are conspicuously labeled with the words: "CONTAINS ALCOHOL: SIGNATURE OF PERSON AGE 21 YEARS OR OLDER REQUIRED FOR DELIVERY.";

(c) The holder of a license to manufacture wine issued by another state may annually renew a direct wine shipper permit by providing the liquor commission that issued the permit with a copy of the license and paying all required fees. The holder of a class 1, class 16, or class 18 license to manufacture wine under section 281-31 may renew a direct wine shipper permit concurrently with the class 1 license by complying with all applicable laws and paying all required fees.

(d) The sale and shipment of wine directly to a person in this State by a person that does not possess a valid direct wine shipper permit is prohibited. Knowingly violating this law is a misdemeanor.

(e) The liquor commission in each county may adopt rules and

regulations necessary to carry out the intent and purpose of this section.

§281-34 Sham operation under club license; supervision.

Whenever the liquor commission is of the opinion that any holder of a club license is not conducting the business under such license in good faith, or that the premises thereof are not continuously kept suitably arranged, furnished, equipped, and actually and reputably operated as a club, or that the apparent or claimed manner of operation of the club as such is only nominal or pretended or amounts to a sham or subterfuge under which liquor is being sold as the principal object of the club, the license may be summarily suspended pending a hearing why it should not be revoked.

§281-35 Special conditions, club licenses.

No liquor shall be sold under a club license to any person not a member of the club nor a guest thereof enjoying the privileges of membership, but a member or a guest enjoying the privileges of membership may purchase liquor for consumption on the premises by the person's own guests.

The liquor commission may by rule require the keeping and posting of lists of the members of a club, and the keeping and production of records as to membership and the registration of guests enjoying the privileges of membership.

No liquor shall be sold or kept for sale at any club except by the club itself pursuant to its license. If any liquor is sold or kept on the club premises for sale or barter by any member, employee, or person other than the club itself, the club shall be deemed to be selling without a license.

§281-35.5 Special conditions; condominium hotel licenses.

A condominium hotel operator shall submit to the commission a copy of the information on the initial application for registration of the condominium hotel operator approved by the real estate commission pursuant to section 467-30, if the condominium hotel operator is required to be registered with the real estate commission. The condominium hotel operator shall maintain for inspection at the condominium hotel by any authorized employee of the commission a list of the units being utilized for transient lodgings from time to time as part of the condominium hotel.

§281-36 REPEALED.

§281-37 Sales of alcohol.

No alcohol shall be sold, bartered, or

otherwise furnished by any person whether holding a license to manufacture or sell the same under this chapter or not, except to a person holding a license to resell the same, or to a person holding a purchase permit from the liquor commission to purchase the same.

Permits to purchase alcohol may be issued by the commission, without fee or charge therefor, to any person holding a license under the laws of the State to sell poisonous drugs, or to any person who in the opinion of the commission requires the use thereof for pharmaceutical or other purposes in the bona fide treatment of patients of such person, or for rubbing, cleansing, or as a preservative, or for any bona fide scientific purpose, but in no case for use for beverage purposes.

On every sale of alcohol the seller, after first being satisfied that the person presenting a permit is the person therein named, shall make a record on the permit and sign the same showing the name of the purchaser, the date, the quantity sold, and the purpose declared as to the intended use thereof. The seller shall also keep a separate record of the same matters. If in any permit there is a prescribed limit as to the quantity purchasable thereunder at any one time or in the aggregate in any given period of time, the permit shall not be honored beyond its terms.

The commission, by rules and regulations, where deemed appropriate, may provide for the sale of alcohol upon prescriptions of duly licensed physicians in lieu of the permits above mentioned.

§281-38 Conditions of licenses. Every license issued under this chapter shall contain the condition that it is subject to this chapter and any other laws applicable to the business of the licensee, whether in existence at the time of issue of such license or enacted or amended from time to time thereafter, and to all applicable rules and regulations of the liquor commission as the same may exist or be adopted or changed from time to time.

§281-39 Place of business; exception; solicitors' and representatives' permits. (a) A license issued under this chapter shall authorize the doing of the business licensed only at the place described in the license, which shall be known as the licensed premises, except:

- (1) In case of a removal with the prior written consent of the liquor commission indorsed on the license, or outside warehousing which may be located off the licensed premises with prior written consent

of the liquor commission; and

- (2) That the units that are used to provide transient lodging under a class 15 license may change from time to time; provided that the condominium hotel operator shall submit quarterly to the commission the list of units being utilized as part of the condominium hotel and maintains a current list pursuant to section 281-35.5 at a condominium hotel for inspection by any authorized employee of the commission.

(b) Except for a condominium hotel operator under a class 15 license, no change of premises under any issued license shall be allowed unless the doing of business on the new premises is authorized in the same manner as provided by this chapter for approval of any original premises; provided that the holder of any manufacturer's license or a wholesale dealer's license issued by the commission of any county may, through authorized solicitors or representatives, solicit and take orders for direct shipment of liquor in permitted quantities in any other county.

(c) Any person desiring to act as the authorized solicitor or representative of a manufacturer or wholesale dealer in any county shall make application to the commission of such county in which the person proposes to act for a permit to act as such.

(d) The application shall state the name of the applicant, the applicant's age, residence, and place of business, the name and address of the manufacturer or wholesale dealer the applicant represents and shall be accompanied by a statement from the manufacturer or wholesale dealer to the effect that the applicant has been appointed as its solicitor or representative. All sales and all orders taken for liquor by any such solicitor or representative shall be subject to the rules and regulations of the commission for the county within which the sales are made or orders taken. No solicitor or representative shall be permitted to have, own, or control any liquor for sale.

§281-39.5 Liquor license prohibited; where. (a) The liquor commission or agency of each county may deny or restrict the issuance of a liquor license for on-site sale and consumption by the drink to any applicant whose establishment is or would be located within five hundred feet of a public or private elementary, intermediate, or high school, or public playground utilized extensively by minors, as determined by the liquor commission of each county; provided that the liquor commission or agency of each county shall deny the issuance of a liquor license if forty per cent of the:

- (1) Registered voters for the area within five hundred feet of the nearest point of the premises for which the license is asked; or
- (2) Owners and lessees of record of real estate and owners of record of shares in a cooperative apartment within five hundred feet of the nearest point of the premises for which the license is asked;

have duly filed or caused to be filed their protests against granting the license. The distance of five hundred feet shall be measured from the boundary of the school or public playground to the boundary of the applicant's premises. Public or private beaches, and public or private day care centers located in or adjacent to commercial areas shall not be deemed schools or public playgrounds for purposes of this section. The provisions of this section shall not apply to establishments located within areas designated by the appropriate counties for resort purposes, or to hotel or condominium hotel liquor license applicants.

(b) This section shall apply only to the issuance of new liquor licenses for on-site sale and consumption by the drink and not to any renewal of such licenses.

§281-40 Unlicensed liquor. No licensee shall have or keep any liquor whatever, for sale or consumption, on or in connection with the licensee's licensed premises except as authorized by the licensee's license. Any unauthorized liquor found thereon shall be subject to summary seizure, confiscation, and forfeiture, and may be disposed of as hereinafter provided.

§281-41 Transfer of licenses; notice of change in officers, directors, and stockholders of corporate licenses, partners of a partnership license, and members or managers of a limited liability company license; penalty. (a) No license issued under this chapter to an original applicant or to any transferee shall be transferable or be transferred within one year of the issuance or transfer, except for good cause shown to the satisfaction of the liquor commission. A transfer of license shall be for the same class, kind, and category of license. No license issued under this chapter shall be transferable or be transferred except upon written application to the commission by the proposed transferee, and after prior inspection of the premises, reference to, and report by an inspector, and a public hearing held by the commission not less than fourteen days after one publication of notice thereof, but without sending notice of the hearing by mail to persons being the owners or lessees of real estate situated within the vicinity of the premises and without the right to the owners or lessees

to protest the transfer of a license. Exceptions are class 5 and 11 licensees who must comply with the requirements as set forth in sections 281-57 to 281-60.

(b) A county may increase the requirements for transfers of class 5, category (1) (B) and (D), and class 11 licenses by ordinance designating one or more areas within the county as special liquor districts and specifying the requirements applicable to transfers of any of these licenses within each district.

(c) For the purpose of this section, "special liquor district" means an area designated by a county for restoration, reservation, historic preservation, redevelopment, rejuvenation, or residential protection, in which development is guided to protect or enhance the physical and visual aspects of the area for the benefit of the community as a whole.

(d) Where a license is held by a partnership, the commission may, notwithstanding any other provision of this section, approve the transfer of the partnership interest, without publication of notice at a public hearing, to any remaining partner or partners, up to the death or withdrawal of a partner of the partnership, or to a trust of which the partner is the trustee..

(e) Where a license is held by a partnership, limited partnership, limited liability partnership, or a limited liability company, the admission or withdrawal of a partner, limited partner, partner of a limited liability partnership, member of a member managed limited liability company, or manager of a manager managed limited liability company shall not be deemed a transfer of the license; provided that the licensee shall, within thirty days from the date of the admission or withdrawal, so notify the commission in writing, stating the name of the partner, member or manager, who has been admitted or withdrawn, and any other information as may be required by the commission.

(f) Except as otherwise provided in this section, the same procedure shall be followed in regard to the transfer of a license as is prescribed by this chapter for obtaining a license. Sections 281-51 to 281-60, except where inconsistent with this section, are applicable to the transfers. The word "applicant", as used in sections 281-51, to 281-60, shall include each proposed transferee, and the words, "application for a license or for the renewal of a license", as used in those sections, shall include an application for the transfer of a license.

(g) Upon the hearing, the commission shall consider the application and any objections to the granting thereof and hear the parties in interest. It shall

inquire into the propriety of each transfer and determine whether the proposed transferee is a fit person to hold the license. It may approve a transfer or refuse to approve a transfer and the refusal by the commission to approve a transfer shall be final and conclusive, unless an appeal is taken as provided in chapter 91.

(h) If any licensee without prior approval transfers to any other person the licensee's business for which the licensee's license was issued, either openly or under any undisclosed arrangement, whereby any person, other than the licensee, comes into exclusive possession or control of the business or takes in any partner or associate, who would be unfit or improper to hold a license pursuant to section 281-45, the commission may in its discretion suspend or cancel the license.

(i) If the licensee is a corporation, a change in ownership of any outstanding capital stock shall not be deemed a transfer of a license; provided that in the case of a change in ownership of twenty-five per cent or more of the voting capital stock or in the case of change in ownership of any number of shares of the stock that results in the transferee thereof becoming the owner of twenty-five per cent or more of the outstanding voting capital stock, the corporate licensee shall, within thirty days of the date of the transfer, apply for the approval of the transfer from the commission in writing. If the commission finds that the transferee is an unfit or improper person to hold a license in the transferee's own right pursuant to section 281-45, it shall not approve the transfer. If any transfer is made without the approval of the commission, the commission may in its discretion revoke or suspend the license until it determines that the transferee is a fit and proper person, and if the commission finds that the transferee is not a fit and proper person, until a retransfer or new transfer of the capital stock is made to a fit and proper person pursuant to section 281-45. In addition, the corporate licensee if not a publicly-traded company or an entity ultimately solely owned by a publicly-traded company, shall, within thirty days from the date of election of any officer or director, notify the commission in writing of the name, age, and place of residence of the officer or director. A publicly-traded company, or an entity ultimately solely owned by a publicly-traded company, shall, within thirty days from the date of election of any replacement of an officer designated as a primary decision-maker regarding the purchase and sale of liquor, notify the commission in writing of the name, age, and place of residence of the officer. If the commission finds that the transferee, officer, or director, for whom notification is required to be given as specified in this subsection, is an unfit or improper person to hold a license in the transferee's, officer's, or director's own right pursuant to section 281-45, it may in its discretion revoke the license or suspend the license until a retransfer or new transfer of the capital stock is effected to a fit or proper person pursuant to section 281-45 or until the unfit or improper transferee, officer,

or director is removed or replaced by a fit and proper person pursuant to section 281-45.

(j) If a licensee closes out the business for which the license is held, during the term for which the license was issued, the licensee shall, within five days from the date of closing the same, give the commission written notice thereof and surrender the licensee's license for cancellation, unless the licensee obtains prior approval from the commission to place its license with the commission for safe keeping. For the purposes of this subsection, "safekeeping" means the holding of a liquor license at the commission office while the licensee is not operating.

(k) The conversion of an entity into any other form of entity or the merger of any entity with any other entity shall not be deemed a transfer of the license; provided that the licensee, prior to the date of the conversion or merger, shall apply for and secure the approval of the commission without any requirement for publication of notice. The foregoing shall not preclude compliance with subsection (d) upon a change in any of the partners or members, or with subsection (i) upon change of any shareholders, officers, or directors of any entity occurring concurrently with a conversion or merger.

As used in this subsection, "entity" means a corporation, partnership, limited partnership, limited liability partnership, or limited liability company.

(l) Any officer director not designated as a primary decision-maker shall be prohibited from coercing, pressuring, or otherwise unduly influencing the decision of a designated primary decision-maker to engage in any unlawful activity relating to the purchase and sale of liquor. If the commission finds that coercion, pressure, or other undue influence has been placed on a primary decision-maker by any officer or director who is not a designated primary decision-maker, the commission may in its discretion suspend or cancel the license.

§281-42 Manufacturers and wholesale dealers, special restrictions. (a) It shall be unlawful for any person holding a manufacturer's license or a wholesale dealer's license to induce the purchases of a retail licensee by:

- (1) Acquiring or holding any interest in any license of a retail licensee;
- (2) Acquiring any interest in the real or personal property owned,

occupied, or used by a retail licensee in the conduct of its business, unless the holding of such interest is permitted under the regulations of the liquor commission or statement thereof has been filed with the commission and has not been disapproved by it;

- (3) Furnishing, giving, renting, lending, or selling to a retail licensee any equipment, fixtures, signs, supplies, money, services or other thing of value, subject to the exceptions contained in Subpart D of the "tied house" regulations of the Bureau of Alcohol, Tobacco and Firearms of the United States Treasury Department, 27 Code of Federal Regulations Part 6 (1988) as the same may change from time to time;
 - (4) Paying or crediting a retail licensee for any advertising, display or distribution service, whether or not the advertising, display or distribution service received is commensurate with the amount paid by the retail licensee; provided that this paragraph shall not prohibit representatives of manufacturers and wholesalers from creating and maintaining displays and point of purchase sales materials, or from stocking shelves and cold boxes;
 - (5) Guaranteeing any loan or the repayment of any financial obligation of a retail licensee;
 - (6) Extending credit to the retail licensee for a period of time in excess of thirty days from the date of invoice;
 - (7) Requiring a retail licensee to take and dispose of any quota of liquor; or
 - (8) Requiring a retail licensee to purchase one product in order to purchase another product. This includes combination sales if one or more products may be purchased only in combination with other products and not individually, provided that a manufacturer or wholesale dealer is not prohibited from selling at a special combination price, two or more kinds or brands of products to a retail licensee, if (A) the retail licensee has an option of purchasing either product at the usual price, and (B) the retail licensee is not required to purchase any product it does not want.
- (b) It shall be unlawful for any person holding a manufacturer's or

wholesale dealer's license:

- (1) To sell any liquor at wholesale prices without invoicing the vendee's license number, except where the vendee, although authorized to resell, is not required by law to hold a license, in which case the invoice shall fully indicate the vendee's identity; or
- (2) To sell any liquor, except for cash or by receiving payment in advance of delivery, to any retail licensee who has not paid in full for all previous purchases of liquor from such manufacturer or wholesaler by the expiration of the thirtieth day from the date of the invoice for such liquor.

(c) In construing subsection (a), the courts and the liquor commission shall follow the rules, regulations, and decisions of the Bureau of Alcohol, Tobacco and Firearms of the United States Treasury Department and the federal courts in interpreting section 5(b) of the Federal Alcohol Administration Act, as the same may be changed from time to time.

§281-43 REPEALED.

§281-44 Advertisements and signs upon licensed premises. (a) All licensed premises shall post a sign in or about the premises containing and notifying all customers and other persons of the possible sanctions that may be imposed for operating a vehicle under the influence of an intoxicant under sections 291E-41 and 291E-61. The sign shall be conspicuously positioned in order to be seen by an ordinarily observant person.

(b) The liquor commission may prescribe the character and extent of all other advertisements, posters, or signs which may be posted or maintained in or about the licensed premises.

§281-45 No license issued, when. No license shall be issued under this chapter:

- (1) To any minor or to any person who has been convicted of a felony and not pardoned, or to any other person not deemed by the commission to be a fit and proper person to have a license; provided that the commission may grant a license under this chapter to a corporation that has been convicted of a felony where the commission finds that the corporation's officers and

shareholders of twenty-five per cent or more of outstanding stock are fit and proper persons to have a license;

- (2) To a corporation the officers and directors of which, or any of them, would be disqualified under paragraph (1) from obtaining the license individually, or a stockholder of which, owning or controlling twenty-five per cent or more of the outstanding capital stock, or to a general partnership, limited partnership, limited liability partnership, or limited liability company whose partner or member holding twenty-five per cent or more interest of which, or any of them would be disqualified under paragraph (1) from obtaining the license individually; provided that for publicly-traded companies or entities ultimately solely owned by a publicly-traded company, only the officers and directors designated as primary decision-makers shall be considered to determine disqualification under paragraph (1);
- (3) Unless the applicant for a license or a renewal of a license, or in the case of a transfer of a license, both the transferor and the transferee, present to the issuing agency a tax clearance certificate from the department of taxation and from the Internal Revenue Service showing that the applicant or the transferor and transferee do not owe the state or federal governments any delinquent taxes, penalties, or interest; or that the applicant, or in the case of a transfer of a license, the transferor or transferee, has entered into an installment plan agreement with the department of taxation and the Internal Revenue Service for the payment of delinquent taxes in installments and that the applicant is or the transferor or transferee is, in the case of a transfer of a license, complying with the installment plan agreement; provided that when the applicant or the transferor or transferee, in the case of a transfer of a license, is validly challenging a tax assessment, penalty, or other proceeding that prevents the issuance of a signed certificate from the appropriate federal or state tax agency, the commission shall issue a license that is valid for the period of time necessary to resolve the challenge;
- (4) To an applicant for a class 2, class 4 except for convenience minimarts, class 5, class 6, class 11, class 12, class 13, class 14, class 15, Class 17, or class 18 license unless the applicant for issuance of a license or renewal of a license, or in the case of a

transfer of a license, both the transferor and the transferee, present to the issuing agency proof of liquor liability insurance coverage in an amount of \$1,000,000; or

- (5) To any applicant who has had any liquor license revoked less than two years previous to the date of the application for any like or other license under this chapter.

§281-46 Pool buying. (a) No holder of a wholesale dealer's or manufacturer's license shall refuse to sell liquor to two or more licensees pursuant to any pool buying agreement between the licensees which has been filed with the commission having jurisdiction over the licensees; provided that:

- (1) The pool buying agreement is in writing and designates one of the licensees as the agent of the others for the purpose of pool buying;

(b) As used in this section, "pool buying" means two or more licensees sharing the cost of a single purchase of liquor.

(c) Nothing in this section shall be deemed to exempt any licensee entering into any pool buying agreement from any antitrust laws.

§281-47 Standard bar; music and dancing available. Any standard bar establishment may provide facilities for dancing by patrons,

including a dance floor and live or recorded music, if the establishment is located in a commercial district and obtains the approval of the commission to provide such services on a one time trial basis not to exceed ninety days; provided that the music and dancing shall be allowed only during the trial period.

PART IV. PROCEDURE FOR OBTAINING LICENSE

§281-51 Prior inspection. No license shall be issued under this chapter unless and until the liquor commission has caused to be made a thorough inspection of the premises upon which the proposed business is to be conducted and is satisfied as to its fitness and that all other general conditions and proposed methods of operation under the license are such as are suitable for carrying on the business in a reputable way. "In a reputable way" includes among other considerations operating in such a manner that activities within the premises or in such adjacent related outdoor areas such as parking lots or lanais will not create noise in excess of standards contained in state or county noise or vibration codes which intrudes into nearby residential units.

§281-52 Public hearing. No license shall be granted except after a public hearing by the liquor commission upon notice as prescribed in this chapter; provided that sections 281-57 to 281-60 shall not apply to the holder of a restaurant general license, a wholesale general license, a retail general license, or a dispenser's general license, who applies for a different kind of license within the class of the holder's existing license, on the same premises, or to the holder of a cabaret license who applies for a dispenser license of any kind, on the same premises, or to the holder of a dispenser's beer and wine license who applies for dispenser's beer license, on the same premises, or to a licensee whose licensed premises have been demolished and replaced by another building on the same premises and who applies for the same or lesser kind of the same class of liquor license previously held by the licensee on said premises.

§281-53 Application; penalty for false statements. Every application for a license or for the renewal of a license or for the transfer of a license shall be in writing, signed and, except for the renewal of a license, verified by the oath of the applicant, or in the case of a corporation or unincorporated association by the proper officer or officers thereof, or if a partnership by a general partner thereof, or if a limited liability partnership by a partner thereof, or if a member managed limited liability company by a member thereof, or if a manager managed limited liability company by a manager, thereof, made before any official authorized by law to administer oaths, and shall be addressed to the

- (2) A particular description of the place or premises where the proposed license is to be exercised, so that the exact location and extent thereof may be clearly and definitely determined therefrom;
- (3) The class and kind of license applied for; and
- (4) Any other matter or information pertinent to the subject matter which may be required by the rules of the commission.

If any false statement is knowingly made in any application which is verified by oath, the applicant, and in the case of the application being made by a corporation, limited liability company, association, or club, the persons signing the application, shall be guilty of perjury, and shall be subject to the penalties prescribed by law for such offense. If any false statement is knowingly made in any application which is not verified by oath, the person or persons signing the application shall be guilty of a misdemeanor and upon conviction thereof shall be punished as in section 281-102 provided.

§281-53.5 County liquor commissions; criminal history record check. (a) The respective county liquor commissions may request a criminal history record check of an applicant for a liquor license in accordance with section 846-2.7; provided that neither a criminal history record check nor compliance with this section shall be required for the officers and directors of publicly-traded companies or entities ultimately solely owned by publicly-traded company, who are not designated as primary decision-makers regarding the sale or purchase of liquor. The criminal history record check, at a minimum, shall

require the applicant to disclose whether:

- (1) The applicant has been convicted in any jurisdiction of a crime that would tend to indicate the applicant may be unsuited for obtaining a liquor license; and
- (2) The judgment of conviction has not been vacated.

For the purpose of this section, the criminal history disclosure made by the applicant may be verified by the liquor commission by means of information obtained through the Hawaii criminal justice data center. The applicant shall provide the Hawaii criminal justice data center with personal identifying information which shall include but not be limited to the applicant's name, social security number, date of birth, and gender. This information shall be secured only for the purpose of conducting the criminal history record check authorized by this section.

- (b) The applicant shall submit to the liquor commission:

(c) The liquor commission shall obtain criminal history record information through the Hawaii criminal justice data center on the applicant. The information obtained shall be used exclusively for the stated purpose for which it was obtained and shall be subject to applicable federal laws and regulations currently or hereafter in effect.

§281-54 Filing fees with application. A filing fee in such amount as shall be established by the respective liquor commission shall be paid with any application for an initial issuance of a license or for a transfer of a license.

Where a license is granted, the filing fee deposited with the application shall become part payment of the fee required for such license. Where an application is denied or withdrawn, the filing fee paid shall become a realization

of the county.

§281-55 Reference to investigator. Upon the filing of any application the administrator of the liquor commission shall indorse thereon the date of filing thereof. If no patent disqualification of the applicant or certain valid objection to the granting of the application is apparent initially and if all requirements relative to the filing of the application appear to have been complied with, the application shall be referred to the investigator for investigation.

§281-56 Report by investigator. (a) On every application referred to the investigator under section 281-55, the investigator shall report in writing to the liquor commission and, if the application is for a license of any class other than class 8, class 9, or class 10, such report shall include:

- (1) A description of the premises intended to become the licensed premises, and the equipment and surrounding conditions, including the relationship to surrounding residences which may share a common boundary or a common structure with the premises proposed for licensing;

- (5) The number of licenses of the same class or kind already issued and being lawfully exercised within the county;
- (6) Whether or not in the opinion of the investigator the applicant is a fit and proper person to have a license;
- (7) Whether or not the applicant is for any reason disqualified by this

chapter from obtaining or exercising a license; and whether or not the applicant has complied with all the requirements of this chapter relative to the making and filing of the applicant's application;

- (8) For the next application for a license that was previously denied, refused, or withdrawn, evidence, to be provided by the applicant, of a substantial change in the circumstances that caused the previous denial, refusal, or withdrawal; and
- (9) Any and all other matters and things, that in the judgment of the investigator pertain to or affect the matter of the application, or the issuance or the exercise of the license applied for; provided that when the license application is for premises within a county with a population of five hundred thousand residents or more, the report shall specify the possible adverse effects the premises, after licensing, may have on the surrounding community.

(b) A copy of the report shall be furnished to the applicant not less than forty-eight hours before any hearing is had upon the application. Upon written request, a copy of the report shall be furnished to any requester.

(c) The applicant and any protester may challenge findings contained in the investigator's report before or at any hearing on the application.

§281-57 Preliminary hearing; notice of public hearing. (a) Upon the filing of the investigator's report upon any application the liquor commission may hold a preliminary hearing and upon such preliminary hearing it may deny the application. A notice of preliminary hearing on a previously denied, refused, or withdrawn application shall be given seven days before the preliminary hearing to any person who submitted a written request for notice.

(b) If no preliminary hearing is had or if the application is not denied upon a preliminary hearing, the commission shall fix a day for the public hearing of the application (other than an application for an alcohol license or a license in classes 8 to 10 and 13) and shall give public notice of the hearing at least once in each of two consecutive weeks, in the county, the date of the hearing to be not less than forty-five days after the first notice. The notice shall require that all protests or objections against the issuance of the license applied for shall be filed with the administrator of the commission at or before the time of hearing. Before giving the notice the commission shall collect from the applicant the cost of giving the public notice or require a deposit to cover the same.

(c) Immediately upon the commission's fixing a day for the public hearing of the application, the applicant shall mail a notice setting forth the time and place of the hearing on the application to each of the following:

- (1) Not less than two-thirds of the owners and lessees of record of real estate and owners of record of shares in a cooperative apartment or to those individuals on the list of owners as provided by the managing agent or governing body of the shareholders association situated within a distance of five hundred feet from the nearest point of the premises for which the license is asked to the nearest point of such real estate or cooperative apartment; provided that in meeting this requirement, the applicant shall mail a notice to not less than three-fourths of the owners and lessees of record of real estate and owners of record of shares in a cooperative apartment situated within a distance of one hundred feet from the nearest point of the premises for which the license is asked. Notice by mail may be addressed to the last known address of the person concerned or to the address as shown in the current real property tax record of the person or the person's agent or representative;
- (2) In counties with a population of five hundred thousand or more, not less than two-thirds of the registered voters residing within, and small businesses situated within, a distance of five hundred feet from the nearest point of the premises for which the license is asked; provided that in meeting this requirement, the applicant shall mail notices to not less than three-fourths of the registered voters residing within, and small businesses situated within, a distance of one hundred feet from the nearest point of the premises for which the license is asked. This paragraph shall not apply to applications for class 2, class 4, class 12, and class 15 licenses. A notice sent pursuant to this paragraph shall be addressed to the "occupant" of the residential unit or small business; and
- (3) For each condominium project and cooperative apartment within the five hundred-foot area, one notice of the hearing shall be sent by mail addressed "To the Residents, Care of the Manager", followed by the name and address of the condominium or cooperative apartment involved.

The notices required under this subsection shall be mailed at least forty-

five days prior to the date set for the hearing. No promotional information shall be allowed on, or accompany the notice. Before the hearing, and within seven business days of having mailed the notices, the applicant shall file with the commission an affidavit that the notices have been mailed in compliance with this subsection. In addition to the affidavit (which shall be made available within the same seven-business-day period with proof of having mailed the notices), the applicant shall include both a master list of one hundred per cent of addressees and addresses required by paragraphs (1), (2), and (3), and another mailing list consisting of the portion of addressees and their respective addresses who were mailed the notice purposely needed to meet the requirements of paragraphs (1), (2), and (3). The affidavit, master list, and mailing list shall be made available within seven business days (of the mailing of the notice by the applicant) by the commission for public review upon request. For purposes of this section “master list” means every owner and lessee who would otherwise be required to receive notice of the public hearing according to the requirement of paragraphs (1), (2), and (3), even if they were not actually included in the two-third or three-fourths requirement (as the case may be) of paragraph (1) or (2), and every condominium project and cooperative apartment qualifying in paragraph (3). When the requirements of this section have not been met, the commission may cancel the hearing or continue the public hearing subject to the provisions of this section.

(d) For purposes of this section, notice to one co-owner and one co-lessee of real estate shall be sufficient notice to all co-owners and all co-lessees of that real estate; and one notice is sufficient to an owner or lessee of multiple parcels; except that one notice shall be sent to each individual unit of a cooperative apartment as provided in this section.

§281-58 Protests. Protests against the granting of a license may be filed by any person. Protests against the granting of a license upon such application, which qualifies for an automatic refusal pursuant to section 281-39.5 or 281-59, may be so filed by any registered voter for the area within five hundred feet of the nearest point at which the applicant proposes to establish or continue the applicant's business under the license applied for, or by any owner or lessee of record of real estate or by any owner of record of a share in a cooperative apartment situated within a distance of five hundred feet from the nearest point of the premises for which the license is asked to the nearest point of such real estate or cooperative apartment.

§281-59 Hearing; rehearing. (a) Upon the day of hearing, or any adjournment thereof, the liquor commission shall consider the application and any protests and objections to the granting thereof, and hear the parties in interest.

The liquor commission shall accept all written or oral testimony for or against the application whether the application is denied, refused, or withdrawn. Within ninety days after the hearing, or within one hundred twenty days thereafter if in its discretion the commission extends the ninety days to one hundred twenty days, and gives public notice of same, the commission shall give its decision granting or refusing the application; provided that if a majority of the:

- (1) Registered voters for the area within five hundred feet of the nearest point of the premises for which the license is asked; or
- (2) Owners and lessees of record of real estate and owners of record of shares in a cooperative apartment within five hundred feet of the nearest point of the premises for which the license is asked;

have duly filed or caused to be filed their protests against the granting of the license, or if there appears any other disqualification under this chapter, the application shall be refused. Otherwise, the commission may in its discretion grant or refuse the same.

For purposes of defining “a majority of owners and lessees of record of real estate and owners of record of shares in a cooperative apartment”, each property counts only once; provided that roadways shall not be included. A protest submitted by the majority of the co-owners or the majority of the co-lessees of a property shall constitute a protest by all the owners or lessees of record of that property. A protest filed by owners or lessees who own more than one property shall be counted for each property.

(b) The liquor commission shall make available to the applicant and any protester for review before the public hearing, the protest list of those persons who filed a protest or objection to the application; provided that the applicant shall not use the protest list to attempt to influence in any way any protester to withdraw the protest or objection. All applicants and protesters may submit corrections, additions, and subtractions to the master list and the protest list at the public hearing; provided that additions or corrections to the voter registration list shall be certified by the clerk of the county. The liquor commission shall rule on proposed corrections, additions, and subtractions and give reasons for the ruling.

- (c) The commission may also, with like discretion:
 - (1) Grant a license to one person in preference to another, without reference to any priority in the order of filing of the applications;

and

- (2) Of its own motion, or on the suggestion of any member, or of the investigator take notice of any matter or thing which in the opinion of a majority of its members would be a sufficient objection to the granting of a license; but in such case if the objection is one to which the applicant should be given a reasonable time to answer, a continuance may be granted in the discretion of the commission;

provided that in any case where any person affected by such decision petitions the commission for a rehearing of the application and on oath alleges facts and grounds for consideration which were not formerly presented or considered, or any other matter of fact which in the judgment of the commission seems sufficient to warrant a rehearing, such rehearing may be granted by the commission in its discretion upon the publication of notice of rehearing at least seven days before the date of the rehearing. When a rehearing is allowed notice shall be given to the applicant and to the applicant's opponents, by publication or otherwise as the commission shall direct.

§281-60 Further application. (a) Except as provided for in section 281-13, if an applicant has at any time been denied or refused a license, no further application from the applicant pertaining to the same premises or building location shall be considered for one year from the denial or refusal.

(b) If an application pertaining to a particular premises or building location is denied, refused, or withdrawn, the next application from any applicant for that premises or building location shall include a report prepared by the applicant evidencing a substantial change in the circumstances that caused the previous denial, refusal, or withdrawal. The commission shall deny the application at the preliminary hearing unless the applicant submits evidence of a substantial change in the circumstances that previously caused the denial, refusal, or withdrawal of an application pertaining to that premises or building location. The commission may consider the following factors in deciding whether to grant an application pertaining to a premises or building location for which an application has previously been denied, refused, or withdrawn:

- (1) Whether a majority of the registered voters residing within five hundred feet of the nearest point of the premises or building location for which the license is asked, or a majority of the owners and lessees of record of real estate and owners of record of shares in a cooperative apartment within five hundred feet of the nearest

point of the premises or building location for which the license is asked, no longer oppose the granting of the license;

- (2) Whether plans for the construction, building design, use, or operation of the proposed establishment have been altered such that they will not conflict with the character of the surrounding area. In evaluating the character of an area for the purposes of this section, the commission may consider the following factors:
 - (A) The usual and existing types of business, residential, and recreational uses and activities within the area;
 - (B) The proximity of residential areas;
 - (C) The population density of the area;
 - (D) The typical or ambient noise levels of the area;
 - (E) The motor vehicle traffic volume, congestion, and noise; and
 - (F) Any other factors that the commission finds relevant;
- (3) Whether the neighborhood board for the area where the premises is located has rendered a decision on the granting of the license;
- (4) Whether the applicant is a fit and proper person to have a license; and
- (5) Any other considerations deemed by the commission to affect the matter of the application, the issuance, or the exercise of the license applied for.

§281-61 Renewals. (a) Other than for good cause, the renewal of an existing license shall be granted upon the filing of an application; provided that if:

- (1) Complaints from the public;
- (2) Reports from the commission's investigators; or

- (3) Adjudications of the commission or the liquor control adjudication board,

indicate that noise created by patrons departing from the premises disturbs residents on the street or of the neighborhood in which the premises are located, or that noise from the premises or adjacent related outdoor areas such as parking lots or lanais exceed standards contained in state or county noise codes or intrudes into nearby residential units, the commission may deny the renewal application or withhold the issuance of a renewed license until corrective measures meeting the commission's approval are taken.

- (b) The commission or board, pursuant to section 281-17, at the time of renewal or at any time, may revoke, suspend, or place conditions or restrictions on any license issued under this chapter for the purpose of preventing activities within the licensed premises or adjacent areas that are potentially injurious to the health, safety, and welfare of the public and neighborhood including but not limited to criminal activity, including assault, drug dealing, drug use, or prostitution, upon proper notice to the licensee, and a hearing before the commission pursuant to chapter 91.
- (c) The commission or board shall deny renewal of a class 2, class 4, class 5, class 6, class 11, class 12, class 13, class 14, class 15, class 17 or class 18 license if the applicant for renewal fails to present proof of the liquor liability insurance required by section 281-31(s).

§281-62 Reduction or increase in area of licensed premises. The liquor commission may, in its discretion, permit the reduction or the increase in the area of the licensed premises of any licensee without publication of notice at a public hearing; provided that, where an increase in premises may significantly impact the public, the commission may require hearings pursuant to sections 281-39.5 and 281-57 to 281-60. Whenever any reduction or increase is permitted, the same shall be endorsed in some appropriate manner upon the license.

PART V. DUTIES OF AND SUPERVISION OVER LICENSEE

§281-71 Posting of license. Every license issued and in effect under this chapter shall at all times be conspicuously posted and exposed to view,

convenient for inspection, on the licensed premises. For failure thereof the license may be suspended or revoked by the liquor commission or liquor control adjudication board.

§281-72 Condition of premises. All premises licensed or proposed to be licensed shall be constructed, arranged, furnished, equipped, maintained, and operated in such manner as may be prescribed by the liquor commission.

§281-73 Quality of liquor; penalty. No liquor at any time manufactured or sold in the State shall be other than of a pure quality, according to any applicable legal standard therefor under the laws of the United States, unadulterated with any mixture of noxious, deleterious, or poisonous substance.

Any person who manufactures or sells any liquor of a quality or character contrary to this section, shall be guilty of a misdemeanor and upon conviction shall be punished as in section 281-102 provided.

§281-74 Labels on containers. All persons manufacturing any liquor for sale under this chapter shall securely and permanently attach to every container thereof, as the same is manufactured, a label stating the name of the manufacturer or, in lieu thereof, if the manufacturer does business under another name, stating such name, and stating the kind and quantity of liquor contained therein. Every container containing liquor for sale by any person holding a wholesale or retail license shall have securely and permanently attached to it such a label. In addition to the foregoing requirements, all such labels shall conform in all respects to the then existing federal laws and regulations regarding such labels.

Before attaching any label containing the name by which the manufacturer does business, in lieu of the manufacturer's name, the manufacturer shall first register such business name under chapter 482. The manufacturer shall furnish to the liquor commission written confirmation of such registration and such other information as may be deemed necessary or appropriate by the liquor commission to enable it to establish and maintain records to properly identify the manufacturer, its name or names by which it does business and the liquor manufactured. The records so established and maintained shall be available for public inspection.

§281-75 Analyses. Whenever the liquor commission or investigator thereof has reason to believe or suspect, on complaint or otherwise, that any liquor being manufactured or which is possessed or kept for sale by any licensee is or may be impure or adulterated or otherwise not conformable to any lawful

requirement, the commission or investigator thereof or other person authorized in writing by the commission or by the investigator may secure a sample thereof for analysis. Upon such sample being obtained, as though by ostensible purchase or otherwise, the person procuring the same shall immediately disclose to the licensee the person's office or authority and purpose, and in case the procurer is a person other than the commission or the investigator the procurer shall then deliver to the licensee a copy of the written order for the procurement of the sample. The bottle or other container containing the sample shall then and there be sealed by the procurer thereof before being taken from the premises of the licensee and the licensee may also attach the licensee's seal thereto.

The investigator shall cause the sample so obtained to be immediately delivered with the seal or seals unbroken to the state department of health or some competent analyst employed by the commission who shall make an analysis of the liquor and shall send a certified report thereof to the investigator, who shall immediately file the same with the commission's administrator.

If the sample analyzed is found pure and unadulterated and conformable with all legal requirements for such liquor, the certificate referred to in the preceding paragraph shall so state, and the commission shall pay to the licensee a sum equal to the value of the sample, and if requested by the licensee the administrator shall furnish the licensee a copy of the analysis.

If the certificate of analysis shows the sample to be impure or adulterated or contrary to any legal requirement the licensee shall be prosecuted for selling, or offering for sale, or furnishing forbidden liquor in violation of this chapter.

§281-76 Tampering with samples; penalty. Any person who tampers with any sample of liquor taken for analysis under this chapter shall be fined not more than \$2,000 or imprisoned not more than one year, or both.

§281-77 Refusal of samples; penalty. Any licensee who refuses to deliver or accede to the taking of any sample of liquor for analysis upon disclosure of the procurer's authority as provided by section 281-75 shall be fined not more than \$2,000.

§281-78 Prohibitions. (a) No person shall:

- (4) Possess or keep, while on any sidewalk or common area within a public housing project, any bottle, can, or other receptacle containing any intoxicating liquor that has been opened, that has a broken seal, or the contents of which have been partially removed.

For purposes of this subsection:

“Public housing project” means any state or federal public housing project as defined in section 356D-1 or 356D-91 or a state low-income housing project as defined in section 356D-51.

(b) At no time under any circumstances shall any licensee or its employee:

- (1) Sell, serve, or furnish any liquor to, or allow the consumption of any liquor by:
 - (A) Any minor;
 - (B) Any person at the time under the influence of liquor;
 - (C) Any person known to the licensee to be addicted to the excessive use of intoxicating liquor; or
 - (D) Any person for consumption in any vehicle that is licensed to travel on public highways;

provided that the consumption or sale of liquor to a minor shall not be deemed to be a violation of this subsection if, in making the sale or allowing the

consumption of any liquor by a minor, the licensee was misled by the appearance of the minor and the attending circumstances into honestly believing that the minor was of legal age and the licensee acted in good faith; and provided further that it shall be incumbent upon the licensee to prove that the licensee so acted in good faith;

- (2) Permit any liquor to be consumed on the premises of the licensee or on any premises connected therewith, whether there purchased or not, except as permitted by the terms of its license;
- (3) Permit any liquor to be sold or served by any person eighteen to twenty years of age except in licensed establishments where selling or serving the intoxicating liquor is part of the minor's employment, and where there is proper supervision of these minor employees to ensure that the minors shall not consume the intoxicating liquor;
- (4) Permit any liquor to be sold or served by any person below the age of eighteen years upon any licensed premises, except in individually specified licensed establishments found to be otherwise suitable by the liquor commission in which an approved program of job training and employment for dining room waiters and waitresses is being conducted in cooperation with the University of Hawaii, the state community college system, or a federally sponsored personnel development and training program, under arrangements that ensure proper control and supervision of employees;
- (5) Knowingly permit any person under the influence of liquor or disorderly person to be or remain in or on the licensed premises;
- (6) Fail immediately to prevent or suppress any violent, quarrelsome, disorderly, lewd, immoral, or unlawful conduct of any person on the premises;
- (7) Sell any draught beer unless upon the faucet, spigot, or outlet wherefrom the beer is drawn there is attached a clear and legible notice, placard, or marker which in the English language indicates and declares the name or brand adopted by the manufacturer of the draught beer, so situated as to be clearly legible for a distance of at least ten feet from the spigot, faucet, or outlet, to a purchaser with

normal vision;

- (8) Receive from a person, as payment or as a consideration for liquor, any personal or household goods, including clothing and food, or any implements of trade. Any person violating this paragraph shall be guilty of a misdemeanor and upon conviction shall be punished as provided in section 281-102.

§281-78.5 Practices to promote excessive consumption of liquor; prohibited. (a) No person licensed to sell liquor for consumption on the premises shall engage in practices which promote excessive consumption of liquor.

(b) The liquor commission shall adopt rules pursuant to chapter 91 to prohibit specific liquor promotion practices which promote excessive consumption of liquor.

(c) Any person who violates this section or any rule adopted by the commission pursuant to this chapter shall be guilty of a violation for each separate offense. Each date of violation shall constitute a separate offense.

§281-79 Entry for examination; obstructing liquor commission operations; penalty. Every investigator shall, and any officer having police power may, at all reasonable times, and at any time whatsoever if there is any reasonable ground for suspicion that the conditions of any license are being violated, without warrant enter into and upon any licensed premises and inspect the same and every part thereof, and any books or records therein, to ascertain whether or not all conditions of the license and all provisions of this chapter and chapter 244D are being complied with by the licensee.

If any investigator or officer, or any person called by the investigator or officer to the investigator's or officer's aid, is threatened with the use of violence, force, or physical interference or obstacle, or is hindered, obstructed, or prevented by any licensee, the licensee's employees, or any other person from entering into any such premises, or whenever any investigator or officer is by any licensee, the licensee's employees, or any other person opposed, obstructed, or molested in the performance of the officer's duty in any respect, the licensee, the licensee's employee, or any other person shall be fined not more than \$2,000 or imprisoned not more than one year, or both.

Whenever any investigator or officer, having demanded admittance into

any licensed premises and declared the investigator's or officer's name and office, is not admitted by the licensee or the person in charge of the premises, it shall be lawful for the investigator or officer to forcibly and in any manner to break into and enter the premises.

§281-80 Arrest. Any investigator or police officer who observes any violation by any person of this chapter or of any rule or regulation of the liquor commission, may forthwith arrest the person without a warrant. Whenever any violation of this chapter or of the regulations of the commission occurs in the presence of any licensee, or any investigator or police officer, upon request of the licensee the police officer or investigator may assist the licensee in arresting any patron for violation thereof.

§281-81 REPEALED.

§281-82 No action for debt. No person except a licensed manufacturer or licensed wholesale or retail dealer or his heirs, personal representatives, trustees, or assigns with respect to sales regularly made under his license shall recover by any process of law any debt or demand on account of the sale on credit of any liquor, nor on any note or like obligation given in payment for liquor.

§281-83 REPEALED.

§281-84 Exclusion of intoxicated person from premises; penalty. Every person who, being under the influence of liquor, enters any premises licensed for the sale of liquor, or being under the influence of liquor there remains after having been requested by the licensee or any person in the licensee's employ to leave the premises, shall be guilty of a misdemeanor and upon conviction thereof shall be punished as in section 281-102 provided.

§281-85 Prize, gift, premium, and other inducement. (a) Unless otherwise provided by this chapter, it shall be unlawful for any person to offer or to provide any intoxicating liquor as a prize or inducement at any public amusement, public gathering or place open to the public.

(b) It shall be unlawful for any person acting as agent or representative of a nonresident principal or for any licensee directly or indirectly, or through any subsidiary or affiliate, to give any premium or free goods of intoxicating liquor or other merchandise in connection with the sale of any intoxicating liquor; or to offer or to provide any premium or free goods of intoxicating liquor in connection

with the sale of other merchandise.

(c) No retail dealer and no licensee who is authorized to sell liquor for consumption on the licensee's premises shall solicit or accept, either directly or indirectly, a premium or free goods of any nature in connection with the retail dealer's or licensee's purchase of liquor from a manufacturer or wholesale dealer.

PART VI. REVOCATION OF LICENSE

§281-91 Revocation or suspension of license; hearing. The liquor commission or liquor control adjudication board may revoke any license at any time issued, or suspend the right of the licensee to use the licensee's license, or assess and collect a penalty, or reprimand the licensee, either for the violation of any condition of the license or of any provisions of this chapter or of any rule or regulation applicable thereto, or upon the conviction in a court of law of the licensee of any violation of this chapter or of any other law relative to the licensee's license or the proper exercise thereof, or of any violation of law in any other respect on account whereof the commission or board may deem the licensee to be an unfit or improper person to hold a license, or for any other cause deemed sufficient by the commission or board.

In every case where it is proposed to revoke or suspend the exercise of any license or assess and collect a penalty for any cause other than a conviction at law of the licensee as above specified, the licensee shall be entitled to notice and hearing in conformity with chapter 91, the notice to be given at least five days before the hearing, except that any special license shall be subject to summary revocation for any violation of or evidence of intent to violate the proper exercise thereof, without hearing before the commission or board.

At the hearing, before final action is taken by the commission or board, the licensee shall be entitled to be heard in person or through counsel and shall be given a full and fair opportunity to present any facts showing that the alleged cause or causes for the proposed action do not exist, or any reasons why no penalty should be imposed. The testimony taken at the hearing shall be under oath and recorded stenographically, or by machine, but the parties shall not be bound by the strict rules of evidence; certified copies of any transcript and of any other record made of or at the hearing shall be furnished to the licensee upon the licensee's request and at the licensee's expense.

Any order of revocation, suspension, fine, or reprimand imposed by the

commission or board upon the licensee shall be in addition to any penalty that might be imposed upon the licensee upon the licensee's conviction at law for any violation of this chapter. No licensee shall be subject to both the penalty assessed and collected by the commission or board and to revocation or suspension of license. The amount of penalty assessed and collected by the commission or board from any licensee for any particular offense shall not exceed the sum of \$2,000.

Whenever the service of any order or notice shall be required by this section, the service shall be made in the following manner: in the case of any violation based upon the personal observation of any investigator, a written notice of the violation shall be given to the licensee or the licensee's registered manager in active charge of the premises, or by serving a certified copy of the notice or order upon the holder of the license wherever the holder may be found in the circuit wherein the holder is licensed, or, if the holder cannot be found after diligent search, by leaving a certified copy thereof at the holder's dwelling house or usual place of abode with some person of suitable age and discretion residing therein; and if the holder of the license cannot be found after diligent search, and service cannot be made, then service may be made by posting a certified copy of the notice or order in a conspicuous place on the licensed premises and depositing another certified copy thereof in the certified mail of the United States post office, postage prepaid, addressed to the holder of the license at the holder's last known residence address; provided that in the case of a partnership, corporation, unincorporated association, or limited liability company, service may be made upon any partner, officer, or member thereof.

§281-92 Appeals. Any licensee aggrieved by any order assessing or providing for the collection of a penalty, or by any order suspending or revoking any license, may appeal therefrom in the manner provided in chapter 91 to the circuit court of the circuit in which the liquor commission or liquor control adjudication board making the order has jurisdiction and the judgment of the court shall be subject to review, subject to chapter 602, in the manner provided for civil appeals from the circuit courts.

§281-93 Reports to prosecuting officers. When the revocation or suspension of any license is by reason of any violation of law the liquor commission or the administrator shall report the facts to the prosecuting officer for prosecution.

§281-94 Forfeiture of fee paid. If any license is revoked or canceled by the liquor commission or liquor control adjudication board, the fee

paid for the license or any unexpended portion thereof shall be forfeited to the county.

§281-95 Bankruptcy, insolvency, death. If a licensee becomes a legally adjudicated bankrupt, or makes an assignment for the benefit of the licensee's creditors, or dies, before the expiration of the term of the licensee's license, the licensee's trustee in bankruptcy, assignee, or personal representative, as the case may be, may, with the consent of the liquor commission, continue to exercise the license for the purpose of closing the affairs of the estate; but if not so continued within forty-five days the commission shall cancel the license.

If a mortgage on the premises covered by a license is foreclosed before the expiration of the term of the license, the mortgagee, or the mortgagee's authorized representative or a duly appointed commissioner of sale may, with the consent of the commission, continue to exercise the license or continue it in effect for the purpose of completing a sale of the premises under the foreclosure proceedings. Notwithstanding any rule or regulation of the commission to the contrary, the payment of any renewal fee for a license issued for the premises involved in foreclosure proceedings or additional fee accrued on the basis of gross sales made under such a license may be withheld until sale of the premises has been completed.

§281-96 Cancellation. If the use of the premises covered by any license becomes lost to the licensee by reason of being sold under foreclosure proceedings, or a civil execution, or other legal process, or for any other cause, which shall force a cessation of the business of the licensee thereon under the license (other than by a revocation or suspension of the licensee's license), the liquor commission may cancel or suspend the license unless the liquor commission has approved the safekeeping of the license pursuant to section 281-41(j).

§281-97 When sale without license authorized. In case a license is revoked or canceled or not renewed, the licensee may with the permission of and upon the conditions set by the liquor commission sell intoxicating liquors then in the licensee's possession within sixty days, or within such additional time allowed by the commission, unless under this chapter the same are seized or forfeited.

Any bank, trust company, or financial institution owning or possessing intoxicating liquor which was acquired by the bank, trust company, or financial institution in the ordinary course of its business, may sell the intoxicating liquor

with the permission of and upon conditions set by the commission.

Any person acting as personal representative, or guardian of a licensee's estate, or any receiver, assignee for benefit of creditors, trustee in bankruptcy, may sell the stock of intoxicating liquor with the permission of and upon conditions set by the commission, except as otherwise provided in this chapter.

Any insurance company, or any common carrier acting as an insurer for losses to persons shipping intoxicating liquor, may take possession of and sell the intoxicating liquor, the containers of which have been damaged by fire or otherwise, with the permission of and upon conditions set by the commission.

Any person in possession of a stock of lawfully acquired intoxicating liquor under a foreclosure proceeding, proceedings for enforcement of a lien, civil execution, or under any other proceeding or process, may sell such intoxicating liquor with the permission of and upon conditions set by the commission.

PART VII. GENERAL VIOLATIONS AND PROSECUTIONS

§281-101 Manufacture or sale without license; penalty. If any person, acting in person or by or through any agent, servant, or employee, manufactures or sells any liquor, either directly or indirectly, or upon any pretense or by any subterfuge, except as authorized pursuant to this chapter, the person shall be fined not more than \$2,000 or imprisoned not more than one year, or both.

§281-101.4 Hearing, illegal manufacture, importation, or sale of liquor. The liquor commission or liquor control adjudication board may assess and collect a penalty, or reprimand a person for not having a valid license to manufacture or sell any liquor in violation of this chapter or of any rule or regulation applicable thereto.
